

Rock the Runway Fashion Show 2024

We are preparing for the April 27th Fashion Show! Your student has been selected to participate in **3 Scenes** (one scene is a family scene). Please bring all 3 of your outfits to class for review prior to March 30th. If parents ignore this vital step, there will be 2-3 students in the SAME outfit. We promise. We have done this many times. Remember: children who love their outfits always perform better! Feel free to ask any questions or submit pictures of your outfit to the instructor or show them from your phone after class.

Below are examples to give you some ideas. ENJOY!
